Dear Job Seeker:

October is National Disability Employment Awareness Month. The 14th annual Greater Kansas City Disability Mentoring Day will be celebrated on Tuesday, October 23, 2018, and Thursday, November 1, 2018. Disability Mentoring Day promotes employment opportunities for all job seekers and students with disabilities through information and career exploration. As a person pursuing employment, this event gives you an excellent opportunity to:

- Increase and enhance your job readiness skills.
- Network with employers to learn about different types of careers.
- Visit with service organizations, providers and government agencies to learn how they can help you in your job search.
- Learn how to advocate for yourself.

The October 23, 2018 Disability Mentoring Day event will be held at Ewing Marion Kauffman Foundation Conference Center, 4801 Rockhill Road, Kansas City, Missouri.

The November 1, 2018, Disability Mentoring Day event will be held at MidAmerica Nazarene University, Bell Cultural Events Center, 2030 College Way, Olathe, Kansas.

These events are free of charge to any individual with a disability living in the Kansas City metro area. A schedule for both days with descriptions of events is printed on the reverse side of this letter. **Register in advance to receive a free lunch and to request accommodations.**

You are encouraged to make the most of this opportunity by preparing ahead of time.
